

Schlage Connect™

BE468 Grade 2 Touchscreen Deadbolt

Schlage connects with Z-Wave® platforms

Schlage is now able to connect with most Z-Wave® systems and products.

With our Connected Products, we've created a line that combines all of our best security features with the convenience of going keyless that works with several home automation and monitoring systems.

That means no longer having keys to lose, hide, carry or forget.

Schlage Connect™ allows for quick and easy installation.

Quick and Easy Installation

- Unique Snap & Stay™ holds deadbolt in place before you tighten the screws
- Installs in minutes
- No wiring needed — all you need is a screwdriver

Convenience

- Connects with Z-Wave® technology
- Guaranteed to fit on existing, standard pre-drilled doors
- Easy Battery Access: 4 AA batteries can be accessed without tools or disassembling lock

Quality

- Durable resistive touchscreen ensures wear pattern remains undetectable
- Designed for strength and durability, tested beyond 250,000 uses (100,000 more than required for Grade 2 certification)

Security

- Grade 2 Higher Residential Security Rating
- Motorized tapered bolt automatically locks and unlocks when code is entered
- Slim exterior prevents interference with storm doors or other door preps
